Compensatory Education Public Hearing Notice

Dear Parent or Guardian:

Your child's academic and social success is vitally important to us. We know that when we team together with you, we can provide the best possible educational experience for your child. We want your input!

We would like to invite you to join us in a meeting where we will discuss Compensatory Education in our schools. Compensatory Education offers supplementary programs or services designed to help children at risk of cognitive impairment and low educational achievements succeed.

Please join us on August 5, 2020 at 4:00pm in the Family Literacy Center, 1155 Mistletoe Lane to give your valuable input at the monthly board meeting. If you would like additional information, please contact Maddie Martinusen 530-224-4100.

Sincerely,

Heather Armelino

Assistant Superintendent of Instructional Services
